Color Mixing

Watch the video for this activity here!

Materials Needed:

- Plastic zip top bag
- Foam shaving cream (for use with adult supervision)
- Food coloring
- Tape (optional)

Directions:

Step 1: Open zip top bag

Step 2: Spray foam shaving cream into zip top bag

Step 3: Squirt 2 or 3 colors of food coloring into the bag

Step 4: Optional: Add tape to the top

Step 5: Squish and squeeze bag, mixing the colors together and watch and see what colors you create!
