

# Toddler Language: Light Box Position Words

## Learning Value:

This activity promotes development and learning by encouraging children to listen to, understand, and respond to communication from others.

## Materials Needed:

- ▶ Clear storage container
- ▶ LED lights or flashlight
- ▶ Translucent plastic bracelets or other bangle bracelets
- ▶ Small toys (small enough to fit in the bracelet)

## Participants:

This activity does require parent interaction for the language learning. The materials can be explored after by children.

## Directions:

**Step 1:** Place flashlight or LED lights in the clear storage container and secure the lid on top.

**Step 2:** Place bracelets and small toys on top of the storage container lid.

**Step 3:** As you and your child play, use position words to help your child learn the words meaning. Here are some examples:

- ▶ The toy is **in** the bracelet.
- ▶ The toy is **under** the bracelet.
- ▶ I'm moving the bracelet **over** the toy.
