

# Infant Toddler Sensory

## Wind Chimes

### Learning Value:

This activity promotes development and learning by encouraging children to use their senses to explore and interact with the environment.

### Materials Needed:

- ▶ Hanger
- ▶ String or ribbon
- ▶ Metal objects, such as bells, washers, spoons, or forks
- ▶ Natural objects, such as smooth sticks or shells

### Participants:

This activity is intended for adult/child interaction.

### Directions:

- ▶ **Step 1:** With your child, tie metal or natural objects to the hanger to make a wind chime (drill a hole in the natural objects if necessary).
- ▶ **Step 2:** Hang the wind chime in a tree or on a patio.
- ▶ **Step 3:** Encourage your child to listen to the sounds the wind chime makes as it moves.

Bright Horizons.
