

Let's Play: Infants

Wind at Your Back

Learning Value:

This activity promotes development and learning by encouraging children to observe their environment to gain understanding of things.

Materials Needed:

- ▶ Blanket
- ▶ Thin scarf

Participants:

This activity is intended for adult/child interaction.

Directions:

While enjoying some playful time with your infant, try out some of the following suggestions and notice how your child responds:

Step 1: Place your infant on their tummy on a blanket.

Step 2: Wave a scarf in the air above them to make a slight breeze.

Step 3: Turn your baby over to their back and wave the scarf to make a breeze.

Step 4: Let the scarf fall slowly to your baby's tummy and pick it up again.

Bright Horizons.
